

METALLURGICAL MATERIALS

We offer a wide range of metallurgical goods for sale. The materials are suitable for demanding and less demanding customers and are affordable. Our helpful staff is always ready to meet your requirements, including cutting and burning into service lengths or shapes.

SALES OF METALLURGICAL MATERIALS

WHAT WE OFFER

We offer sales of pipes, square tubes, welded wire mesh, rolled and drawn steel, steel sheets and more. We will adjust the metallurgical material to the required dimensions and, if necessary, it is possible to arrange transport.

Metallurgical material of I. and II. quality:

- welded pipes black and galvanized
- welded square tubes
- bar steel - round, flat, square
- bar steel - isosceles and non-isosceles angles, T- profiles
- beams I, U
- reinforcing steel, welded wire mesh
- hot rolled sheets
- cold rolled sheets
- drawn steel - round
